PROXY STATEMENT  
for  
Annual Meeting of Shareholders  
To Be Held October 23, 2008  
\_\_\_\_\_

INTRODUCTION

Your Proxy is solicited by the Board of Directors of Techne Corporation (the "Company") for use at the Annual Meeting of Shareholders to be held on October 23, 2008 and at any adjournment thereof, for the purposes set forth in the attached Notice of Annual Meeting. The Notice of Annual Meeting, Proxy Statement, 2008 Annual Report to Shareholders and proxy card are being mailed to stockholders on or about September 18, 2008.

The cost of soliciting Proxies, including preparing, assembling and mailing the Proxies and soliciting material, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular compensation, solicit Proxies personally or by telephone.

Proxies not revoked will be voted in accordance with the choice specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Nominations and Governance Committee of the Board of

Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal, other than election of directors, will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instruction by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter. You may revoke your proxy by sending a written statement to that effect to the Corporate Secretary of the Company, submitting a properly signed proxy card with a later date, or filing a notice of termination of the proxy and voting in person at the Annual Meeting. The mailing address of the Company's principal executive office is 614 McKinley Place N.E., Minneapolis, MN 55413.

#### OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors of the Company has fixed September 12, 2008 as the record date for determining shareholders entitled to vote at the Annual Meeting. ELECTION OF DIRECTORS  
(Proposals #1 and #2)

General Information

The bylaws of the Company provide that the number of directors shall be determined by the shareholders at each Annual Meeting. THE NOMINATIONS AND GOVERNANCE COMMITTEE OF THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT THE NUMBER OF DIRECTORS BE SET AT EIGHT AND THAT THE INDIVIDUALS NAMED IN THE TABLE BELOW BE ELECTED. Under applicable Minnesota law and the Company's bylaws, approval of the proposal to set the number of directors at eight requires the affirmative vote of the holders of the greater of (1) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (2) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting. A plurality of votes cast is required for the election of directors.

In the election of directors, each Proxy will be voted for each of the nominees listed below unless the Proxy withholds a vote for one or more of the nominees. Each person elected as a director shall serve for a term of one year or until his successor is duly elected and qualified. All of the nominees are members of the present Board of Directors. All directors were elected to the Board of Directors by the shareholders. If any of the nominees should be unable to serve as a director by reason of death, incapacity or other unexpected occurrence, the Proxies solicited by the Board of Directors shall be voted by the proxy representatives for such substitute nominee as is selected by the Nominations and Governance Committee, or, in the absence of such selection, for such fewer number of directors as results from such death, incapacity or other unexpected occurrence.

## CORPORATE GOVERNANCE

### Board Independence

The Board has determined that all of the Company's non-employee directors (Mr. O'Connell, Mr. Herbert, Mr. Baumgartner, Dr. Lucas, Dr. Steer, Dr. Dinarello and Dr. Holbrook) are "independent" as such term is defined in applicable law and regulations of the Securities and Exchange Commission and Nasdaq. Mr. Oland is not independent based on his service as our Chief

Executive Officer and President. In making its independence determinations, the Board reviewed transactions and relationships between the director, or any member of his or her immediate family, and the Company and its subsidiaries based on information provided by the director, Company records and publicly available information.

During fiscal 2008, Mr. Oland's daughter, Paige Jensen, Ph.D., J.D., served as the Company's Associate General Counsel. Dr. Jensen's base salary for fiscal 2008 was \$137,000. The Company also provided medical and other benefits generally available to all Company employees. Dr. Jensen is not an executive officer of the Company.

#### Directors' Meetings and Committees

The Board has scheduled meetings each quarter prior to the Company's quarterly earnings release and may from time-to-time hold additional meetings. During fiscal 2008, the Board held four meetings. Each director attended 75% or more of the total number of meetings of the Board and of Committees of which he or she was a member. Executive sessions of independent directors, meetings of outside directors without any member of management present, are held in conjunction with regularly scheduled meetings of the Board. It is the policy of the Company that all directors should attend the Company's annual meeting of shareholders. All then incumbent members did attend the annual meeting in 2007.

5

The Company's Board of Directors has three standing Committees, the Audit Committee, the Executive Compensation Committee and the Nominations and Governance Committee. All members of all Committees are "independent" as such term is defined in applicable law and regulations of the Securities and Exchange Commission and Nasdaq. In addition all members of the Audit Committee meet the additional independence standards applicable to its members.

The Audit Committee (whose members are Mr. Baumgartner, Mr. Herbert, Mr. O'Connell and Dr. Steer) operates under a written charter established by the Company's Board of Directors. A copy of the charter is available for review at the Company's website, [www.techne-corp.com](http://www.techne-corp.com). The Audit Committee is responsible for the appointment and supervision of the Company's independent registered public accounting firm and for reviewing the Company's internal audit procedures, the quarterly and annual financial statements of the Company and the results of the annual audit. The Audit Committee also pre-approves all related party transactions, establishes and oversees the implementation of the Company's cash investment policy and monitors the Company's financial fraud hotline. The Board of Directors has determined that for fiscal 2008 all Audit Committee members are "audit committee financial experts" as such term is defined in Section 407 of the Sarbanes-Oxley Act. The Audit Committee met six times during fiscal 2008. The Committee's report is included in this Proxy Statement.

The Executive Compensation Committee (whose members are Mr. Herbert, Mr. O'Connell, Mr. Baumgartner and Dr. Steer) determines compensation for executive officers of the Company. The Committee operates under a written charter. A copy of the charter is available for review at the Company's website, [www.techne-corp.com](http://www.techne-corp.com). The Executive Compensation Committee establishes both over-all policies for executive compensation and reviews the performance of the executive officers. The Committee works with Mr. Oland, the Chief Executive Officer of the Company, to establish performance goals for the other executive officers and, acting independently, establishes the performance goals for Mr. Oland. The Committee determines the annual base compensation of all officers and awards bonuses, both cash and equity, to all officers based on performance. The Committee met twice during fiscal 2008. The Committee's report is included in this Proxy Statement.

The Nominations and Governance Committee is composed of all "independent" directors, currently all directors except Mr. Oland. The Committee operates under a written charter. A copy of the charter is available for review at the Company's website, [www.techne-corp.com](http://www.techne-corp.com). The Committee, meeting as part of the July 2008 Board meeting, has recommended to shareholders the re-

election of the incumbent directors of the Company at the 2008 Annual Meeting. The functions of the Committee are to recruit well-qualified candidates for the Board, select persons to be proposed in the Company's proxy statement for election as directors at annual meetings of shareholders, and establish governance standards and procedures to support and enhance the performance and accountability of management and the Board. The Nominations and Governance Committee assesses the appropriate size of the Board of Directors, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominations and Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Committee through current members of the Board of Directors, professional search firms, stockholders or other persons and may be considered at any point during the year. The Nominations and Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. Candidates for the Board are considered and selected on the basis of outstanding achievement in their professional careers, experience, wisdom, personal and professional integrity, their ability to make independent, analytical inquiries, and their understanding of the business environment. Candidates must have the experience and skills necessary to understand the principal operational and functional objectives and plans of the Company, the results of operations and financial condition of the Company, and the position of the Company in its industry. Candidates must have a perspective that will enhance the Board's strategic discussions and be capable of and committed to devoting adequate time to Board duties. The Committee will consider all nominees for director recommended by shareholders of the Company. Recommendations may be sent to the Committee at the Company's address: 614 McKinley Place N.E., Minneapolis, MN 55413.

#### Compensation of Directors

(1) Amounts consist of the annual retainer and meeting fees for services as members of the Company's Board of Directors. For further information concerning such fees, see the below.

(2) Amounts represent compensation expense recognized in fiscal 2008 related to stock option awards that vested in fiscal 2008 calculated in accordance with Statement of Financial Accounting Standard No. 123 (revised 2004) (SFAS No. 123R). Pursuant to the Company's 1998 Nonqualified Stock Option Plan, each of the above directors received an automatic option grant for 5,000 shares of Company Common Stock on the date of the 2007 Annual Shareholder Meeting. Dr. Holbrook received options to purchase 10,000 shares of the Company's Common Stock upon her appointment to the Board in fiscal 2007 of which 5,000 vested during the year ended June 30, 2008. As of June 30, 2008, the following non-employee directors held options to purchase the following number of shares of the Company's Common Stock: Dr. Lucas - 25,000; Mr. O'Connell - 45,000; Mr. Herbert - 45,000; Dr. Steer - 15,000; Mr. Baumgartner - 25,000; Dr. Dinarello - 16,500; Dr. Holbrook - 15,000.

Fees for non-employee directors include \$25,000 per year for service on

the Board and Committees of the Board. Directors are paid an additional \$1,000 for each meeting of the Board other than its regularly scheduled quarterly meetings and for each meeting of a committee on which the director serves other than committee meetings held in conjunction with a meeting of the full Board. If appointed to the Board or retired during the fiscal year, the non-employee director receives a prorated annual fee.

Under the Company's 1998 Nonqualified Stock Option Plan, non-employee directors automatically receive options to purchase 5,000 shares of Company Common Stock upon each re-election to the Board. The options have a term of 10 years and vest immediately. Upon initial election or appointment to the Board, new non-employee directors receive options, which vest immediately, for 5,000 shares of the Company's Common Stock prorated based on the time remaining until the next annual meeting of shareholders. Dr. Holbrook, at the Compensation Committee's discretion, received options to purchase 10,000 shares of the Company's Common Stock upon her appointment to the Board in fiscal 2007. The additional shares were in recognition of her strong scientific background. Half of the options vested immediately upon her appointment to the Board and the remaining 5,000 options vested on the first anniversary date of her appointment. All non-employee directors elected at the Company's 2008 Annual Meeting of Shareholders will receive options to purchase 5,000 shares of Common Stock with an exercise price equal to the fair market value on the date of the 2008 Annual Meeting.

#### Code of Ethics and Business Conduct and Financial Fraud Hotline

The Company has adopted a Code of Ethics and Business Conduct, which is applicable to all directors, officers and employees of the Company. A copy is available for review at the Company's website, [www.techne-corp.com](http://www.techne-corp.com). The Company sponsors a financial fraud hotline that is available to all employees, is operated on a confidential basis by a third party, and is supervised with full powers of investigation by the Audit Committee of the Board of Directors.

#### Compensation Committee Interlocks and Insider Participation

The Executive Compensation Committee of the Board of Directors of the Company is composed of directors G. Arthur Herbert, Howard V. O'Connell, Dr. Randolph C. Steer, and Robert V. Baumgartner. None of the members of the Executive Compensation Committee was an officer or employee of the Company during fiscal 2008, and no executive officer of the Company during fiscal 2008, served on the Compensation Committee or the board of any company that employed any member of the Company's Executive Compensation Committee or Board of Directors.

## EXECUTIVE COMPENSATION DISCUSSION AND ANALYSIS

### Overview

The Executive Compensation Committee of the Board of Directors is responsible for establishing the compensation programs of the Company's Chief Executive Officer and other executive officers. The Committee participates in the consideration and employment of prospective executive officers of the Company. The Committee also administers the Company's stock option plans and

has the authority to grant options to purchase shares of the Company's Common Stock, and to determine all terms and conditions of such options.

## Compensation Objectives

The Executive Compensation Committee has designed the compensation packages of the Company's executive officers to achieve the following objectives:

- to recruit and retain highly qualified executive officers by offering overall compensation that is competitive with that offered for comparable positions in the local market;
- to motivate executives to achieve important business and individual performance objectives and to reward them when such goals are met; and
- to align the interest of executive officers with the long-term interest of stockholders through participation in the Company's stock option plans.

The Executive Compensation Committee is responsible for assuring that compensation for the executive officers is consistent with our compensation philosophy. The Executive Compensation Committee reviews the compensation philosophy and trends in the local market to ensure that the executive compensation program is competitive and attracts and retains talented management, motivates the executives to achieve short term and long term corporate objectives, and aligns the motivation and interests of the executives with the interests of the Company's shareholders. The Executive Compensation Committee also administers the Company's equity-based compensation and performance-based bonus plan for the executive officers. The Executive Compensation Committee reviews and approves each executive's base pay, bonus, and equity incentives annually.

## 8

The Committee views the various components of its compensation program as related, but distinct. Although the Executive Compensation Committee does review and consider total compensation for each executive officer as a whole, it does not believe that significant compensation derived from one component should necessarily negate or reduce compensation from other components. The Committee determines the appropriate level for each compensation component based on overall compensation objectives. The Executive Compensation Committee has not adopted any policies or guidelines for allocating compensation among the different elements of the compensation program.

## Role of the Chief Executive Officer in Compensation Decisions

During meetings with the Executive Compensation Committee held each year, the Company's President and Chief Executive Officer presents to the Committee recommendations regarding compensation for the executive officers (other than himself). The Committee discusses the recommendations and accepts or adjusts them, in whole or in part. The executive officers are not present during the Committee's final discussion and determination of their compensation.

## Elements of the Compensation Program

The Company's executive compensation program is comprised of base salaries, annual performance bonuses comprised of both a cash and stock option component, and various benefits, including the Company's profit sharing and savings plan and stock bonus plan in which all qualified employees of the Company participate. In addition, the Executive Compensation Committee from time to time may award special cash bonuses or stock options related to non-recurring, extraordinary performance. The Executive Compensation Committee typically also awards stock options upon retention of a new executive officer.

Base salary. The Executive Compensation Committee has followed a policy

of paying annual base salaries which are on the moderate side of being competitive in its industry. A competitive base salary is provided to each executive officer recognizing the skills and experience each individual brings to the Company, the length of time with the Company and the performance contributions each makes. Salaries are reviewed on an annual basis and are made in connection with annual performance reviews. In July 2008, the Executive Compensation Committee approved the base salary for the executive officers for fiscal 2009 as follows: Mr. Melsen - \$275,000 and Mr. Veronneau - \$167,500. Mr. Oland again waived an increase, leaving his base salary at \$254,100 for fiscal 2009.

Performance-based bonus plan. Under the Company's Executive Officers Incentive Bonus Plan, each executive officer may earn a potential bonus of up to 40% of his or her annual salary. The Plan provides that 70% of the eligible bonus is based upon achieving the Company's budgeted revenues and earnings for the fiscal year. Bonuses are awarded on a prorated basis if between 85% and 100% of budgeted revenues and earnings are achieved. The remaining 30% of the eligible bonus is based upon achievement of personal goals set for each officer. The personal goals are established annually as recommended by the Chief Executive Officer of the Company and approved by the Executive Compensation Committee, taking into account each executive's responsibilities at the Company. The annual bonus is paid 50% in cash and 50% in stock options. The officer may elect to exchange his or her cash portion of the bonus for additional stock options and if so, such officer is entitled to 1.7 times the cash value of the cash bonus in options. The number of options each executive officer is entitled to are calculated based on the closing share price at the date of grant. Options granted under the Plan vest immediately and the exercise price of the options is the closing price of the Company's stock on the date of grant. The stock option grant date is the date of the Committee's first meeting subsequent to fiscal year-end, which coincides with the Company's scheduled quarterly Board meeting. For fiscal 2008, the Executive Compensation Committee has determined that the Company's revenues and earnings were an average of 107% of budget. Therefore each executive officer earned 100% of the 70% of his or her overall bonus. The Compensation Committee also determined that Mr. Melsen and Mr. Veronneau earned 70% and 85% of the remaining 30% bonus respectively.

9

Other compensation. The Company provided medical and insurance benefits to its executive officers, which are the same as those generally available to all Company employees. The Company has a Profit Sharing and Savings Plan and a Stock Bonus Plan in which all qualified employees, including executive officers, participate subject to statutory limitations on contributions for highly compensated individuals. The amount of the Company's contribution to the plans is based on the increase in revenues and after tax earnings from the prior fiscal year. For fiscal 2008, the profit sharing percentage was approximately 12.5%. The Company contributed to each of the Profit Sharing and Savings Plan and the Stock Bonus Plan an amount equal to 5.0% of total gross wages, respectively. The contribution to the Stock Bonus Plan is in the form of Company common stock. The remaining 2.5% of the fiscal 2008 profit sharing percentage, plus an additional one-time 2.5% bonus was paid to qualified employees, including executive officers, as a cash bonus. The Company does not provide any other significant perquisites or executive benefits to its Named Executive Officers.

#### Accounting and Tax Treatment

The Company accounts for equity-based compensation paid to employees under SFAS No. 123R promulgated by the Financial Accounting Standards Board, which requires the Company to estimate and record an expense over the service period of an option award. Thus, the Company may record an expense in one year for awards granted in earlier years. The Company adopted SFAS No. 123R on July 1, 2005 and, therefore, fiscal 2006 was the first year in which expense was recorded related to employee stock options. Accounting rules also requires the recording of cash compensation as an expense at the time the obligation is accrued.

Section 162(m) of the Internal Revenue Code of 1986 generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid to the company's chief executive officer and four other most highly-paid

executive officers. Qualifying performance-based compensation will not be subject to the deduction limitation if certain requirements are met. Because the potential amount of base salary and non-equity-based incentive compensation that the executive officers can earn is less than \$1 million, Section 162(m) has not been material to the Executive Compensation Committee decisions.

#### Compensation Committee Report

The Compensation Committee of the Board of Directors is responsible for reviewing and approving total compensation programs and levels for the Company's Chief Executive Officer and its executive officer group, which includes the Named Executive Officers shown in the Summary Compensation Table below. The Committee's responsibilities are specified in the Compensation Committee Charter.

The Committee reviewed and discussed the Executive Compensation Discussion and Analysis above with management. Based on the Committee's review and its discussions with management, the Committee recommends to the Board of Directors that the Executive Compensation Discussion and Analysis be included in the Company's Proxy Statement for the 2008 Annual Meeting.

| Name              | Option Awards                             |                                 |

| Gregory J. Melsen | 0   | 0                               |
| Marcel Veronneau  | 748                                       | \$30,690                        |

Employment Contracts and Change in Control Arrangements

The Company has a formal employment agreement effective through June 30, 2010 with Mr. Veronneau. Mr. Melsen's employment agreement was effective through June 30, 2008 and Mr. Oland serves pursuant to an oral understanding. The agreements provide for base salaries subject to annual review, bonuses as described above, benefits as provided to all employees and severance compensation under certain circumstances. The severance payment is triggered if an executive's employment with the Company is terminated in connection with a merger, sale, or change in control of the Company. A "change in control" means the acquisition in one or more transactions by a single party, or any number of parties acting in concert, of a majority of the outstanding shares of voting stock of the Company.

Mr. Veronneau's severance compensation is the lesser of one month of salary for each full year of employment with or service to the Company or two times the annualized compensation for the tax year preceding the year of termination. Under Mr. Melsen's agreement, which expired June 30, 2008, severance compensation would have been equal to the base salary and benefits which would otherwise have been paid under the terms of the employment agreement or the base salary and benefits for twelve months from date of termination, whichever period is longer.

For each Named Executive Officer, the estimated amount of potential payments at June 30, 2008, assuming the executive's employment terminates in connection with a merger, sale or change in control of the Company is as follows:

| Name                  | Cash      |            |
|-----------------------|-----------|------------|
|                       | Severance | Other      |
| Thomas E. Oland       | \$ 0      | \$ 0       |
| Gregory J. Melsen (1) | 260,000   | 12,000 (2) |
| Marcel Veronneau (3)  | 200,000   | 0          |

(1) Agreement expired June 30, 2008 without payment of any compensation.

(2) Consists of medical, dental, disability and life insurance premiums.

(3) Based on 15 years of service with the Company.

The Audit Committee has authorized Company officers to engage KPMG in permitted non-audit and tax services that involve less than \$25,000 in fees in the aggregate. Such services are approved quarterly by the Audit Committee. All of the services rendered by KPMG in fiscal 2008 and 2007 were pre-approved by the Audit Committee.

Officers, directors, and greater than 10 percent shareholders ("Insiders") are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based on a review of the copies of such reports furnished to the Company, during the fiscal year ended June 30, 2008, all Section 16(a) filing requirements applicable to Insiders were met.
